### **mySidewalk named to 2022 GovTech 100 List**

GovTech 100 honors companies that positively impact state and local governments

Folsom, CA: On January 4, 2022, *Government Technology* magazine, a division of eRepublic Inc., named mySidewalk as a member of its 2022 GovTech 100 list.

The [GovTech 100](#) is an annual list that recognizes a collection of 100 companies “focused on, making a difference in, and selling to state and local government agencies across the United States,” according to the GovTech 100 website.

“mySidewalk is thrilled to join the ranks of GovTech 100, an incredible list of companies working to improve the way government works for us all,” says Stephen Hardy, CEO at mySidewalk. “This recognition is further affirmation that community data can solve critical government challenges.”

#### **About *Government Technology***

*Government Technology* magazine covers the role of information technology in both local and state governments. It is a division of eRepublic Inc., a smart media and research company that solely focuses on public-sector innovation for both local and state governments.

#### **About mySidewalk**

Data democratization is at the heart of mySidewalk. We believe every organization has a right to accurate, timely and relevant data about the places they live and the people they serve. Our suite of products break down the barriers to harnessing and leveraging this data, allowing users of all backgrounds to amplify their story. Learn more at [mysidewalk.com](https://mysidewalk.com).
